Add Deputy Payroll to your plan today

## One log in, for all your people products

Say goodbye to importing, exporting and switching between products. With HR, rostering, timesheets and payroll in one place, getting your team paid accurately and on time has never been more seamless.

## Grow your business with Deputy

Whether you've got 10 employees on the payroll or thousands, our payroll solution has been designed to grow with your business. Payroll role-based access levels ensure that payroll staff only have access to the information they need, and nothing they don't.

## Designed for the expert or the novice

Whether you're new to running payroll or you've done it for years, we make it easy to manage even the most complex pay situations.

## Consolidate your payroll accounts

Paying for separate payroll accounts? Our true, multi-entity payroll solution allows you to set up multiple businesses or multiple ABN branches and run a separate payroll for each, within your one Deputy account.

## Simplify complex award payments

Make Fair Work award calculations a breeze, with our regularly updated, pre-built award templates that auto-fill employee entitlements in a single click.

By keeping all award and pay details within one system, you can reduce room for error when it comes to Fair Work compliance.

Select a modern award or create your own, tailor your pay rules to your needs, and prioritise your pay rules with ease.
